Sponsor's name:

Phay Sreytoch is a 13 years old student in 7th grade at The House of Joy and Happiness which is located in Thkeng village, Rohas commune, Rovieng district, and Preah Vihear province.

Sreytoch was born in a poor family with 7 members, her parents, two brothers and three sisters including her. She is fourth-born in the family. Her parents are farmers. They have owned farmland with its size of 25 meters' width and 30 meters' length. Currently, she has been living with her aunt and uncle because her parents' family is very poor.

Foreseeing that her family's living condition has been meeting with the poverty, so her aunt and uncle asked her from the parents due to take her to live them. Moreover, even if she is now living with her aunt and uncle but the standard living of aunt and uncle is similar to her parents' family as well. For yearly, they have produced only three tons of rice and then they sold out one ton of rice to \$200 of income in order to pay back to fertilizers' sellers and some leftover money is paid for food only. Anyhow, that revenue couldn't work out for Sreytoch's clothes and schooling.

Regarding Sreytoch, she hasn't attended the classes regularly because sometimes, her aunt and uncle asked her to take care of the animals and work at the rice field.
