

Girl's Name: Heng Sopheak

Heng Sopheak is an 12-year-old student in 5th grade at the Sunnyside in Prasat village, Tong Rong commune, Prey Chhor district, Kompong Cham province.

She is second child in the family and she has two siblings. Her mother divorced and she became a widow. Her mother is a farmer who works on a small length 10A of land. The farmer job does not give a lot benefit to support family, so her mother works for other villagers or find jobs as seasonal worker when the cultivating season is ended. After school, she always helps her mother of doing house works and look after the house when her mother is away from home.

She still has a dream to graduate from university.
