

Girl's Name: Oeurn Siphath

Oeurn Siphath is 14-year-old-student in the 7th grade at The Kozak Ohana School #285 in the Mohor Village, Chey Commune, Kampong Svay District, Kampong Thom Province, Cambodia.

Siphath has two brothers and two sisters and is the fourth child in the family. Both of her parents are rice farmers, but their crops have not been healthy the past couple of years due to natural calamity and drought. As a result, her mother works in the village to earn money to feed her children, and the eldest daughter works as well to help support the family. Therefore, Siphath is bearing the responsibility of the housework and cooking as her mother and sister are at work.
