

Girl's Name: Thorn Srey Ro

Thorn Srey Ro is an 12-year-old student in 6th grade at The in Prasat village, Tong Rong commune, Prey Chhor district, Kompong Cham province.

She is the seventh child in the family. She has seven siblings. Her father is a security guard and mother does farming on 5A of land. Her father works as a security guard who can earn only \$140 per month to support everyone in family. Sometimes, her mother needs to work for other villagers or find others as seasonal worker when the farming season is ended. Her parents' income is not enough to support family. After school, she always helps her parents at the rice field and doing house work. She still has a dream wants to finish from high school and continue to university.
