

Girl's Name: Pheap Lai Sry

Pheap Lai Sry is a 10-year-old student in 4rd garde at the The Sunnyside in Prasat village, Tong Rong commune, Prey Chhor district, Kompong Cham province.

She is the eight child in the family and she eight siblings. Her mother does farming and her father is a fisherman. They do not have any land to do farming and they live on their relative's land. When harvest season comes her mother works for other villagers to get a pay to feed her family. Her mothers can earn around \$3-\$5 per day during harvest season. Her living condition is difficult that makes her very often to skip class because she can't let her mother to work so hard on that way. After school, she helps her parents doing house work and helps her parents in rice field.
