

Girl's name: Sung Yim

Sung Yim is 15 years old. She's a student in grade 7. She studies in CREDO School. She lives in Trang village, Metoek Commune and Pursat Province.

Yim has four siblings. She's the second child in her family. Her parents are working in the border of Thailand. Now a day, she lives her grandma. But every month, her parents send her some money for study and foods. They send her only 25 Dollars per month. She goes to school by bicycle and gets only 2000 riels per day for study. In her free time, Yim always helps her grandma to cook and takes care of her siblings. Her grandma couldn't earn money, because she's old. She just looks for her granddaughter and son.

In the future, she wants to be an army, because she wants to help and protect her country. And she thinks that it's her interesting job.
