The family owns one hectare of farm land; in which they can earn up to \$250 a year in rice production. As this is not enough to support the family's needs, Srey Pa's father commonly has to work to go on trips to be a slave. He has to carry the sack of cement. One day they can earn \$5. This means, that even with this additional income, the parents do not have enough money to support the family and their children's everyday needs. As a result, Srey Pa commonly has to miss school to stay home and help to care for her siblings or help in the rice field and other housework.

Srey Pa's goal wanted to be a police; she thinks that become a police could solve all the problems for her relative in community.
