

**Girl' name: Seng Srey Roth**

**Srey Roth was** born on 01, December 2005 in Svay Chek village, Svay Chek Commune, Romdoul District, Svay Rieng province. She is in the 7<sup>th</sup> grade at The Svay Chek Secondary School, which is located in Anlong Spean village, Svay Chek Commune, Romdoul District, Svay Rieng province.

Srey Roth has 4 siblings and she is the Second child in the family. Her father's name is Mr. Chhin Vanna and her mother name is Mom Dany, both of them are farmers. The family owns one hectare of farm land; in which they can earn up to \$300 a year in rice production. As this is not enough to support the family's needs, Srey Roth's father commonly has to work for others. He has to carry the sack of cement. One day they can earn \$5 or \$6. This means that even with this additional income, the parents do not have enough money to support the family and their children's everyday needs. As a result, Srey Roth commonly has to miss school to stay home and help to care for her siblings or help in the rice field and other housework.

Srey Roth's goal wanted to be a police; she thinks that become a police could solve all the problems for her relative in community.
