Son Noury is a 13 years old student in 5th grade at **The Shintoshin Rotary and Speros (Hawaii) School**, which is located in Pal Hal village, Rik Reay commune, Rovieng district, and Preah Vihear province.

Son Noury was born in a poor family with six members. She has gotten 4 siblings including her. She is the second child in her family. Her parents are farms and they have one hectare of their own land for growing rice. Every year they have gotten from 2 tons to 3 tons of rice output and they have sold out for one ton and half (about \$281.25) to reimburse for the fertilizers and others expenses of the family.

Besides the harvest season Noury's parents were hired to gather the cashew nuts and they could earn \$10 per days due to patch up the family's needs. As for Noury, she sometimes was asked to halt from school for a few days in order to help find little income for the family as well.
