

Girl's Name: Hum Reaksa

Hum Reaksa is 12 years old, she lives in Tropeang chroneang Village, Chrolornng Commune, Baray District, Kampong Thom Province. She is in the 5th grade at Tuol Andet Primary School located in Tropeang Chroneang Village, Chrolornng Commune, Baray District, Kampong Thom Province.

Reaksa has 2 siblings no brother and 2 sisters. She is first in the family. Her father's name is Mr. Horng Hai and her mother's name is Sam Sopha, both of them are farmers. the family own one hectare of farmland where they can earn about \$300 a year in rice products. As this is not enough to support the family's needs. Reaksa's father beside of farm, he commonly has to go on trip to find the extra work like carrying the sack of cements for the construction shop that he can ern \$6 in a working day. Not all of the income above are enough to support the family and their children's every day needs. Therefore, she has to miss school and stays home to help taking care her siblengs or help in the rice field and other housework.

Reaksa wants to be a doctor, she wants to cure all the people in her laction, it is very difficult for the people in her area when they are sick because the hospital is very far.
