

**Girl Name: Miv Chhou**

**Miv Chhou** is 21 years old and is the eldest in her family with two younger brothers and one sister. She studies in grade 11 at Ascham Community School # 281 in O Reang High School in Pou Rang village, Senmonorom commune, OReang district, Mondulkiri province.

Chhou lives with her mother and was born in Po Rang village, Senmonorom commune, O Reang district, Mondulkiri province. Chhou's mother owns two hectares of farmland, producing about 185 kg of rice per year, earning about \$25 per month. The family is a poor minority family (Buo Nong). Furthermore, they raise five chickens, four pigs, two ducks, and grow vegetables and fruits behind the house. Additionally, to working on the farm, the family collects fruit, resin, vegetables, fish, and wild animals to sell in the local market, which is very far from the house. The family lives in a small wooden house, located in a remote area, isolated from the village, and is very far from the school. It's about 60 kilometers from the school to her house so Chhou now stays in a dormitory, located close to school. Chhou loves studying and always comes to school on time. She receives only \$ 2.5 a month from her parents to support herself.

In the future, Chhou wants to be a teacher. She believes that working with children will make her happy, so she wants to work with and share her knowledge with them.
