

**Girl Name: Nean Tran**

**Nean Tran** is 19 years old and studies in grade 10 at Ascham Community School # 281 in OReang High School in Pou Rang village, Senmonorom commune, OReang district, Mondulkiri province.

Nean is the fifth child in the family and has four siblings. Pharith's parents, owning about two hectares of farmland, producing about 185 kg of rice per year, earning about \$20 per month, are minority. Her father is 66 years old and her mother is 60 years old. Additionally to working on the farm, the family goes to the forest to find fruit, resin, vegetables and wild animals to sell at the local market. Furthermore, they raise pigs, ducks and chickens to support their family. The family lives in a small wooden house, which is far from school. It's about 50 kilometers from the school to her house so Nean now stays at a dormitory, located close to the school. Nean always comes to school on times, and works very hard, receiving good grades. She receives only \$10 a month from her parents to support her studies.

In the future, if she passes the grade 12 test, she wants to be a primary school teacher. She wants to develop and improve the local peoples lives through her knowledge.
