

Girl Name: Tran Dean

Tran Dean is 20 years old and studies in grade 10 at Ascham Community School # 281 in OReang High School in Pou Rang village, Senmonorom commune, OReang district, Mondulkiri province.

Dean has two brothers and two sisters and is the fourth child in the family. Pharith's parents own about two hectares of farmland, producing about 185 kg of rice per year, earning about \$20 per month. Her father is 66 years old and her mother is 60 years old. Additionally to working on the farm, the family goes to the forest to find fruit, resin, and vegetables to sell. Furthermore, they raise pigs, ducks and chickens to support their family. The family lives in a small wooden house, which is far from the school. It's about 50 kilometers from school to her house so now she stays in a dormitory, located close to school. Dean, living in Dak Dam village, goes home on the weekends to bring food for her family. Dean always come to school on time, studies hard and works well with her classmates. Dean receives only \$ 10 a month from her parents.

Dean, loving teaching, wants to be a good teacher in the future. When she becomes a teacher she can teach and share her education to the villagers and the children.
