

**Girl's Name: Phalleang Sang-huot**

Phalleang Sang-huot is 16 years old. She lives in Phnov Village, Phnom Penh Commune, Kulen District, Preah Vihear Province.

She is in grade 10<sup>th</sup>. She has a brother and three sister including her and she is the second child in the family. Her father, Da Phalleang, 45, is a farmer and her mother, Dy Savoeng, died three years ago. In addition, she has only 2 hectare of land farm and can earn about 5000 Riels (457 Dollars in a year) per day. Sometimes, she earns nothing. Furthermore, her house is 7 kilometers from school, so she has to ride a bike about 20 minutes every day under the sun. She has told that she wants to achieve her goal.

In the future, she wants to be a teacher, because she wants to help her family and people in her village.
