

Girl's Profile: Moeurn Vicheka

(This is a photo of Moeurn Vicheka captured in front of her Grandmother's house.)

Moeurn Vicheka is 8 years old, student in 2nd Grade at the Sunnyside School, located at Prasat village, Prasat commune, Prey Chhor district, Kampong Cham province.

Vicheka is the single child in the family. Her father's name is Muong Vith. He's 36 years old. Her mother's name is Mouern Thona. She is 32 years old. Her parents have been left her since she was a baby. She doesn't know where her parents are living now. Her parents have no their own farmland.

Now she lives with her grandmother. Her grandmother's name is Muon Oun 65 years old. She's a farmer. She has 40A of crop yield of rice. After doing farming she sells fish in the village to earn money for living and feeding her granddaughter. She can earn \$2.5 to \$4.00 every day but this is not enough for living. Her grandmother wants to see Vicheka finish high school and can get a good job for herself. Her grandmother would like to show her great thanks to the donor who help Vicheka so that she can finish her study and have a job. She commits to tell Vicheka to try to study at school and at home.

Vicheka is a very brave student in the class because she always asks question when she doesn't understand and wants to do any task that the teacher assigns. As no bike, so every day she walks to school and walks back home. After school Vicheka helps her grandmother's housework and study more at home. She commits to finish high school and wants to get job as a teacher. She wants to help her grandmother when she have a job and get good salary. She wants to help teach the students in her village to get good knowledge.
