

Girl's Profile: Saet Sreyneat

(This is a photo of Sreyneat captured in front of her Grandmother's house.)

Sreyneat is a 13-year-old student in 5th Grade at the Sunnyside School, located at Prasat village, Prasat commune, Prey Chhor district, Kampong Cham province.

Sreyneat is the fourth child in the family. There are four children in the family, all are daughters. Her father's name is Sim Sambath. He's 48 years old. He's a seasonal worker. Her father could earn \$4 to \$5 per day that could not support the family. Her father thanks for the donation of the donor that help her children. Her mother's name is Muong Sok. She is 44 years old (died).

Sreyneat lives with her father and her sisters with her sisters. Her parents have no their own farm land. Because her father is so poor, Sreyneat has to walk to school every day. After her study, she study more at home and helps take care of her sister.

Sreyneat commits to finish her study and wants to be a nurse when she grows up. She wants to help her father and her sisters and other people. She wants to earn a lot of money for herself.
