

Girl's name: Dany Sreynoch

Profile of Dany Sreynoch

Dany Sreynoch is a 10 years old and she is a student in 3rd grade at The Ascham School community, #262, in Putting village, Romney commune, Senmonorom district, Mondulkiri province.

There are 12 members in her family, parents, three daughters and seven sons. She is the sixth child in her family. Her family is very poor and have owns half a hectare of farmland, which can produce 1000 kg of rice per year. Her mother and father are farmer and work as rice farmers on their own land, as well as cashew pickers, earning 20,000 Riels a day. As the family is very poor and they get low income, there is not enough money to support the whole family such as **Sreynoch**'s studies primary school. **Sreynoch** commonly has to walk to school for everyday. Furthermore, after a long day at school and sometime walking there and back, **Dany Sreynoch** needs to help her mother with housework and various chores.

Dany Sreynoch wants to be a teacher at high school when she finishes her studying. She wants to help all students at Senmonorom town. Moreover, she wants to earn money to support her very big family in the village.
