

Girl's Name: Sev Sokhy

Sev Sokhy is 14 years. She is in grade 6 at SophieA.KRASOWSKI SCHOOL witch located in Plor village, Borkham commune, Oyadav district, Ratanakiri province.

Sokhy is an ethic minority people she has 3 siblings. She is the second child in the family. Her both parents are very poor famers. they have a plot of the farmland is about 1.5 hectares witch could cultivate cassava every year.

She said that her parents gathering about 10 tons of cassava per year (about \$1000 a yea). After gathering the cassava her parents sell it and take the majority of income to compensate the Microfinance and some money pay for other debt like food, gasoline and other material.

Any way, this income couldn't provide a whole family through out a year. So her parents are trying to growing the vegies and raising some animals like: pig, chicken, cow...

Sokhy is a study hard, bravo, and smart students.

For her future purpose, she wishes to be a teacher. Because she really like this job and she could teach all the children in village.
