

Girl's name: Vanna Sreynohn

Vanna Sreynohn is ten years old and she studies in grade 4 and she is minority tribe and she studies at The Mr. and Mrs. SakNhep School and she lives in Chorn Ra Village Batang Commune, Lumphat District Ratanakiri Province.

Vanna Sreynohn is the first child in her family and she has got one little sister. Her dad is a farmer and he has got one home with the land width = 15m and length = 20m and. He sometimes works for construction building company in the village and he earns about \$7.50 US Dollar per day. Her mum is a housewife. She does her housework and she looks after her little daughter.

Vanna Sreynohn is a very hard girl and a good student everyone at school knows her well because she works hard on all subjects and she always goes to school by walk her home is about one kilometer from school. After school she helps her mum in cooking and she sometimes finds for a work near her home like picking up fruits of cashew apple to support her family as well.

In the future she wants to be a computer programmer because she likes teaching English and computer and she can share her knowledge to the kids in her village and she thinks that computer using is very poor in her area and it is very important reduce poverty and develop local human resources. Additionally, she wants to help her brother and her parent lead a better and more comfortable life.
