

## Girl's Name: Soeun Sreyppy

Soeun Sreyppy is eleven years old and she studies in grade 4 and she studies at The Mr. and Mrs. SakNhep School and she lives in Chomkatmey Village Batang Commune, Lumphat District Ratanakiri Province.

Soeun Sreyppy is the second child in her family and she has got one eldest sister. Her dad is a farmer and he has got one home in his farmland and he owns land with the width = 50m and length = 150m. After gathering rice is completely finished her dad earns about 600kg per year his farmland depends on natural raining only. Her dad also profit from selling vegetables such as water morning glory, cucumber and mustard leaves that he plant in the farmland he earns about \$6.00 dollar per day. And her mum is a housewife.

Soeun Sreyppy is a very smart girl and a good student. She studies hard on all subjects and she always goes to school by motorbike with her dad her home is about 5 kilometers from school. After school she helps her mum in cooking and she sometimes finds for a work near her home like picking up fruits of cashew apple to support her family as well.

In the future she wants to be a lawyer because she loves justice and she wants all the people to obey the law. She thinks that people in a country never minds the law that country will be full of penalty. Additionally, she wants to help her sister and her parents lead a better and more comfortable life.
