

## Girl's Name: Thou Sopheap

Thou Sopheap is thirteen years old and she studies in grade 6 and she is minority tribe and she studies at The Mr. and Mrs. Sak Nhep School and she lives in Chorng Ra Village Batang Commune, Lumphat District Ratanakiri Province.

Thou Sopheap is the first child in her family and she has got one little brother. Her dad is farmer and he has got one broken home with the land width = 20m and length = 40m and he owns his farmland is about one hectare on his farmland he plants potato, corn and rice. Her dad can gather 500kg of the potato and 400 kg of rice per year and corn only for eating his farmland depends on natural raining only. He sometimes goes to find for an extra job at Ban Long town Ratanakiri Province and he earns about \$7.50 US Dollar per day. And her mum is a housewife. She does her housework and she looks after her little son.

Thou Sopheap is a very hard girl and a good student everyone at school knows her well because she works hard on all subjects and she always goes to school by walk her home is about one kilometer from school. After school she helps her mum in cooking and she sometimes finds for a work near her home like picking up fruits of cashew apple to support her family as well.

In the future she wants to be a teacher because she likes teaching and she can share her knowledge to the kids in her village and she thinks that learning is very important to reduce poverty and develop local human resources.

Additionally, she wants to help her little brother and her parent to live in a comfortable life.
