

**Girl's name: Khon Laiheang**

Khon Laiheang is 16 years old. She's in grade 7 of #448 CREDO school. Now she's in Chintay village, Metoek commune, Bakan district, Pursat province.

Laiheang has two siblings and she is the first child in the family. She lives with her aunt and uncle with other of her siblings because her parents have to work in Thailand. They send her 30 dollars per month, but sometimes only 25 dollars. So she's very difficult and needs more money for living and studying. She gets only 2000 riels per day from her aunt for going to school. After she leaves the school, she always helps her aunt cooking, clean the house, wash the dish and clothes and looking after for her niece. She goes to school by her cousin's motorbike and sometimes with her classmates.

In her free time, she always done on her homework, read the books, listens to the radio and helps her aunt's housework.

In the future, she wants to be a teacher, because she wants to help all people to educate together and get a better job in the future. Anyways, She would like to support her family to live in a better life.
