

Girl's name: Mack Solen

Mack Solen's 11 years old and she is in grade five at Melum school. She lives in Tulroka village, Melum commune, Baribour district, Kompong Chhnang province.

There are eight members in her family, parents, two brothers and four sisters. She is the fifth child in her family. Father's name Min Ban, he is 42 years old and her mother is Oung Sokom, she is 50 years old. Her parents are farmers who own farmland is about a half of hectare for growing rice. They can produce rice is about 800kg to 1000kg in per year and they can earn money from farm work is about 150\$ in per year. After finished from work, her mother goes to Phnom Penh to find a job as a cleaning staff and she can get a small salary in per month. For her father can't work hard because his knees are painful, it started three years ago until now. He just stays home and take care the house, his children, and does a small work in the house. Solen goes to school every day, her house is a bit far from the school. She goes to school by her old bicycle. It's taking 30 minute from the school to her home. Solen and her sister still study but her brothers and her other sisters were stop from school because the situation of the family is poor. When Solen has free from school, she always help her ant to do house work, so she can get 1000 riel from her Ant.

In the future Solen wants to become a teacher because she wants to have a good salary to help her family and she love to teach to the other people. She wants to help people by sharing her knowledge.
