

## Girl's name: Ngon Sreyny

Ngon Sreyny is 12 years old and she is in grade four at #549 Melum School. She lives in Melum village, Melum commune, Baribour district, Kompong Chhnang province.

There are nine members in her family, two parents, four sisters, and three brothers. Sreyny is the sixth child in her family. Father's name is Ngan Ngouern is 47 years old and her mother is Chhum Vat, she is 48 years old. Her parents are farmers who own farmland is about a half of hectare for growing rice. They can produce rice is about 800kg to 1000kg in per year and they can earn money is about 130\$ in per year from farm work. Sometime they sell some of rice because they need money for provide their family for buying daily food. After finished from farm work her father has to go away to work as cutting the grass and he can get a small salary in per month. Her mother stays home takes care their kids and grow some vegetables for family eating. Their family is so poor and sometime they don't have enough money to support the whole family when the member getting sick.

Sreyny and her sisters are going to school every day, they are going to school by her an old bicycle (one bicycle is three people) and sometime they are walking to school because the bicycle is broken. It's taking 40 minutes from her house to school. So Sreyny has to help her mother to do housework and look after their sisters.

In the future she wants to become a teacher because she wants to help her family and she loves teaching. Anyways, she wants to help people by sharing her knowledge to next generation.
