

## Gril's name: Ngon Sreythong

Sreythong`s 8 years old and she`s in grade sixth at #549 Melum school. She lives in Melum Village, Melum Commune, Baribour District, Kompong Chhnang Province.

There are six members in her family, she has one brother, four sisters and her mother. She is the third child in the family. Father`s name Ngan Chanvoeurn, he was died and her mother`s name Phan Kheathan is 31 years old. Her mother is a farmer who own farmland is about 62 A (A half of hectare) and the father passed away five years ago. Her family can produce rice is about 1000kg to 1500kg per year and she can earn the money is about 170\$ per year from farm work. And sometime they sell some rice to provide their family as food, sickness, clothes ....., it depend on the situation of the family need, sometime her mother goes away to find the money to provide the family as cutting the rice or shuck corn. For the brother and sisters of Sreythong are living with the grandmother because the mother is going away to work. Sreythong goes to school by bicycle but sometime she is walking. It`s taking 1km from her house to the school. In free time she has to help her grandmother as take care the cow, cook, clean the house, and give the water to the plant.

In the future she wants to become a teacher because the teacher has ability to help the people as sharing her knowledge to them and also she wants to help her family to have a better life.
