

Girl's Name: Ngot Rin

Ngot Rin is 15 years old. She lived in Preysronge Village and she studies in 8th grade at #326 Donduong Secondary School, Balang Commune, Baray District and Kampong Thom Province.

Ngot Rin's family, there are 7 members in her family, two parents and 5 daughters. She is the second child in her family. Her parents didn't have owning hectare of farmland. Her parents always to find other jobs such as: sometime construction of worker, pickup stones put into the trucks and sometime pick up the cashews and they get around 15, 000 riels or 20, 000 riels a day from their work but it is not every day. Rin's parents couldn't support enough for their children and they paid for every thing such as: buy materials for children studying and buy food. Because they didn't have a good jobs and her parents couldn't support their daughters when she need to school or part-time. She only gets 1500riels per day and she always ride he bike to school every day. Ngot Rin is a good student in class. After school she always responsible to help her parent's housework and she raise chickens and ducks and she gets up early morning to feed the chickens and ducks to earn more money to support her family.

In the future, Rin wanted to be a teacher because she wanted to share knowledge and education to the students in her location as well as to help others people. Moreover she wanted to support her family to live in a better.
