

Girl's Name: Noch Nita

Noch Nita is 10 years old and she is in grade 5 at The Wahrenbrock Family School #235 in Takeo province, Ko Antet district, Pech Sar commune, Chong Angkar village.

Nita has three members in her family. There are two parents and one brother. She is first child in her family.

Nita's parents are farmers and they have own half a hectare field farmland which they have cropped two yields of rice and they have produced average is 1,500 kg of rice per year. And they have earned money about cropping yields of rice average is 500,000 Riels per year and they keep some rice for eating in a whole year. Even they get income but they still cannot support the whole family because they need to spend much money such as every food, cloths, medicine, and other expense. So, they are so poor sometime when a family member getting sick they don't money goes the hospital and just buy the medicine at pharmacy shop.

Nita commonly rides a bicycle to school and from her house go to school is far but she always go to school. She is a smart student in class and she so friendly, moreover she always helps her friend to explain the lesson. When after school, she needs to help her mother to do housework and various chores.

In the future she wants to become a teacher, because she wants to earn money for her family and she wants to teach the children who live in her community and the farther area.
