

Girl's name: Phan Sophorn

Phan Sophorn is 17 years old, a student in grade 9 at Pras Chi Sok Van Secondary School, in Krol Chil village, Popel Commune, Baribour District, Kampong Chhnang Province.

She has one sister and two brothers, and she is second child in her family. Her parents are farmers, they have 20 Acres of farmland where they can produce 600 Kg of rice per year, which is just enough to provide the family and for their child. Nowadays, she lives with her grandparents when the farming season is over, her parents go to the forest to find some burned wood to sell, and her parents do not have other extra work. At home, she has to help her grandparents to do housework.

Sophorn gets 500 Riels a day for her studies, and ride her bicycle to school every day. She travels about 15 Minute to School. Sophorn is a study hard student even her study isn't very well. After school, she does her exercises with her friends.

In the future, Sophorn wants to be a Khmer literacy teacher, because she likes this subject, it is easy to learn and easy to understand. And she wants to share this knowledge to students. Especially, she wants to earn some incomes to support her family better.
