

Girl's profile: Prouert Thin

Prouert Thin is 16 years old student in 8th grade at #462 The Chop Ta Trav secondary School that is located in Chup Prasat village, Chop commune, Angkor Thom district, and Siem Reap province.

Thin has gotten five members in the family. She has gotten two older brothers and she is the youngest child in the family. Her parents are farmers. Her parents have had one hectare of farmland for transplanting rice.

Her parents have gathered for eight to ten sack of rice's output per year but the rice's output couldn't afford the family for a whole year.

Moreover, her parents got low income from wood, so it still was inadequate to afford the needs such as clothes, uniforms and school supplies etc. Whereas Thin, she promised that if she will be supported for \$10 every month she will try to study hard and she will use that money to patch up for her study.

In the future, she wants to become a Wedding Embellishment because she wants to earn money to earn a life and support her family.
