

Girl' name Huon Pum Ngea

Pum Ngea is 13 years old and she is in grade 7 at #347 The Doris Dillon School in Phnom Toch village, Sdach Kong Khang Tbound Commune, Benteay Meas District, Kampot province.

Pum Ngea has 2 siblings, and she is the second child in the family. Her father's name is Mr. Sanh Ren and her mother's name is Mrs. Seng Srey Pov, both of them are farmers. The family owns one hectare of farm land; they can earn up to \$ 300 a year in rice production. As this is not enough to support the family's needs, **Pum Ngea's** father commonly has to find fish and crickets to sell in his villages. One day he can earn 15000 Reils a day. This means, that even with this additional income, the parents do not have enough money to support the family and their children's everyday needs. As a result, **Pum Ngea** commonly has to miss school to stay home and help to care for her siblings or find fish at the lake around her village.

Pum Ngea's goal is to be a teacher in her community. She wants to teach all kids in her location. Also, she wants to build girls up and explain to them to be strong as a man. Moreover, she wants to earn money to support her family, because her family was so poor.
