

## Girl's profile: Ry Neth

Ry Neth is a 15 years old student in 7th grade at The Chop Ta Trav secondary School which is located in Pong Toek village, Chop commune, Angkor Thom district, and Siem Reap province.

Neth has gotten five members in the family. She has gotten four older sisters one older sister is paralyzer's leg and she is fourth child in the family. Her mother died. Her father divorce is divorced. She lives with her older sister. Her older sister is farmer. Her older sister had one point five hectare of farmland for transplanting rice. Her older sister have gathered for two tons of rice's output per year but the rice's output couldn't afford the family for a whole year.

Moreover, her older sister got low income to support her family so, sometime older sister could be find any income by the cutting trees to sell in the market to support her family too. On holiday Neth offer studying, she went to collect the leaves to be sold. She can get 5000 Riels per day. It still was inadequate to afford the needs such as clothes, uniforms and school supplies etc. Whereas, she promised that if she will be supported for \$10 every month she will try to study hard and she will use that money to patch up for her study.

In the future, she wants to become a Mathematical teacher because she wants to provide knowledge to the next generation.
