

## Girl's profile: Tha Touert

Tha Touert is 15 years old student in 7th grade at #462 The Chop Ta Trav secondary School that is located in Teap Svay village, Chop commune, Angkor Thom district, and Siem Reap province.

Thouert has gotten seven members in the family. She has gotten three older sisters and one younger brother she is the fourth child in the family. Her parents are farmers. Her parents have had halt an acre of farmland for transplanting rice and one hectare for planting cassava. Her parents have gathered for six sack of rice's output per year but the rice's output couldn't afford the family for a whole year.

Moreover, her parents got low income from cassava's sole and other work like harvest rice to be paid for her family. Her parents stay along time in the farmland to harvesting rice for additional income helps the family. So it still was inadequate to afford the needs such as clothes, uniforms and school supplies etc. Whereas Thouert, she promised that if she will be supported for \$10 every month she will try to study hard and she will use that money to patch up for her study.

In the future, she wants to become tailors because she loves the sewing industry and earn money to support her family.
