

## **Ktib Sielan**

**Sielan** is a 15 year old student in 8<sup>th</sup> grade at The ASIJ School # 467 donated by American School In Japan. Located: Chub Krom Village, Svay Leu Commune, Svay Leu District, Siem Reap Province.

**Sielan** is the fifth child in the family, with three older sisters and two older brothers. Her mother passed away and her father is old. They don't have farmland for planting rice so her parents rent one hectare of farmland for planting rice.

They can gather 10 sacks of rice per year. After harvesting rice her mother needs to sell some of the rice with the cost of \$100 to pay back for the fertilizers and to the landowner, as well as some money to support the family.

**Setha** is a good student. After school, she goes home to help her parents with house work. In her free time, she likes to read books and review the lessons from school and help mother to cook meals for her family.

**Setha** wants to be a teacher when she grows up. She wants to help all the poor kids. Most importantly, she wants to earn money to support her family to be better in the future.
