

Pov Sambo

Sombo is a 17 year old student in 9th grade at The ASIJ School # 467 donated by American School in Japan. It is located in Chub Krom Village, Svay Leu Commune, Svay Leu District, Siem Reap Province.

Sombo is the second child in the family, with one older sister.

Her family has one hectare of farmland for growing rice. The rice can produce 10 sacks of rice per year and production quantity of one sack of rice is about 75 – 80 kilograms but it is still not enough for a year.

Her father is 60 years old and her mother is 56 years old and her house is 13 Kilometers from school.

Sombo is a student who pays attention and tries to learn. She tries hard to study and she gets good grades. She wants to be a good teacher when she grows up because she loves teaching young children in her village and would love to earn money to support her parents.
