

## Girl's profile name: Ang Chantrop

Chantrop is a 12 years old, student in Grade 5 at The Janie's School #524 donated by Jenifer Begg. It's located in Snam Preah commune, Bakan district, Pursat province.

There are four members in her family. She has a little sister. Her father is a thin old man, He has a job as a guard at a store house near her home. He got salary about R300,000 (\$75) a month. About her mother, she is only a housewife. Her jobs are taking care of her two daughters, growing some food plants around her house; feed some ducks and chicken for selling and getting meat or eggs to cook for daily meals of her family. Chantrop's family doesn't have any farmland for growing rice in rainy season. So her family buys rice from the market for daily eating.

At school, Chantrop is really an outstanding in the classroom. She usually gets number 1 place in English test. She is really hard student and she always come to English class on time and did all kinds of exercises and activities well in the class. She is really loved studying with YouTube as her E-learning with the internet. She always manages and uses her time usefully. At home, she must help her mother with all kinds of housework. At night after dinner, she always does self-learning as her daily habit.

In the future, she wants to become a teacher of primary school because she wants the children in her village know how to read and write Khmer literature correctly.
