

Girl's profile name: Harng Sreykit

Sreykit is a 14 years old student in Grade 6 at The Janie's School #524 donated by Jenifer Begg. It's located in Snam Preah commune, Bakan district, Pursat province.

There are seven members in her family. She has one sister and three brothers. Her father work as a construction sites. He can earn about 5\$ a day. And her mother is a Khmer noodle seller in front of her house. She can make small a mount of money about 10000 (\$2,5) Riel a day. The income can't feed many members of the family. So the whole family must work hard with their small rice field that can produce rice about seven bags (1bag = 50kg) a year in rainy season. And sometime, her family also sells some rice to get money to buy ingredients for cooking daily meals even they knew this small amount of this rice can't feed the whole family in one year. So her family usually still buys rice from the market.

Sreykit is really a hard studying student in English and Khmer class. She always gets high points in every test. She is an outstanding student in English and Khmer class too. I'm really happy and proud of her. She is rarely have free time. At home, she must do all kinds of housework with her brothers and sisters. They have to growing some useful green plants for daily meal on the land around their house and her family doesn't have any chicken or ducks. At night from 7 to 9 o'clock, she always learns, review and do all homework with Khmer and English books, which are her favorite subjects at school.

In the future, she wants to be a nurse or a teacher of English language at a secondary school because she wants to spread this important language to the children in her village.
