

Nhao Hongly

Nhao Hongly is 13 years old, a student in 7th grade at the Dahlia Sam School in Rong Machine village, Tasal commune, Oral district, Kampong Speu province.

Hongly has 2 brothers and 2 sisters, she is the third child in the family. She lives with her parents who own 0.30 hectare of farmland for producing rice in the raining season. During dry season her parent goes to find some job such as construction workers to earn some money to support the family. For her elder sister has a job as a coffee salesclerk and can send home around 100,000 riels to support the family. Her parents can earn about 10,000 riels per day depending on the work that they can get.

In her free time, Hongly helps her parents doing housework, feeding pig and chicken and help her mother to take care of her younger sibling.

In the future, she wants to be a teacher because she likes teaching and sharing knowledge with children. She thinks that this job is an honor for herself, family and her future. She loves to educate young children and earn some money to support her family.
