

## Girl's Profile: Mao Sothima

Mao Sothima is 12 years old and she is a student in sixth grade at the Lotus School located in Tbong Damrei village, Kampong Chamlong commune, Kampong Chamlong district, Kandal province.

Sothima has no sibling at all. Now she lives with her old grandmother because her parents are divorced. Her grandmother is a farmer who own 0.2 hectares for farmland for transplanting rice. Her grandmother works very hard with farm work but they could fewer outcomes because the weather is not good and things are high prize like chemical fertilizer and other supplies.

According to the about reasons so her parents can gather 6 sacks of rice's production and quantity of one sack of rice is about 70 kilogram.

After harvesting rice is completely finished her mother makes profit by selling things at her home that could earn 2.5 dollars to 3.5 dollars per day. Because of having old grandparents at home so the family spending is high but the profit is poor.

In free time, Sothima likes reading book, do exercise, do housework, assisting her mother with some favors. In the future, she wants to be a good doctor because she loves to cue her grandparents and other sick people in the village and she wants to earn more money to support her family.
