

Girl's profile: Bun Sochhy

Bun Sochhy is 13th years old and she is a student in grade 7th at The House of Joy and Happiness School (#374) which is located in Thkeng village, Rohas commune, Rovieng district, and Preah Vihear province.

Sochhy was born in poor family with 4 members. She has one younger brother and she is first daughter in her family. Her father name is Un Sun and he is 45 years old. Her mother name is Rath Chreb and she is 43 years old. They are all the farmers.

Her parents have one hectare for their farmland and they have grown rice they have gotten about 500 kg and they are keeping for daily eating in a full year but it not enough for them. So, they find other jobs to earn money for theirs' children studying or buying any clothes and served for their daily consumption. After finish rice season, they go to work a cement picker and get \$3.5 in a day for support their daily expenses.

Sochhy is a smart student in family and she is very good at of Khmer subject. After school she helps her parents to do housework and look after her brother.

In the future she wants to become a teacher; because she wants to earn money for supporting her family and moreover she wants to teach and share her knowledge to the children who has lived in her community or in the farther area as well as.
