

## Girl's profile: Saroeurn Thavry

Saroeurn Thavry a 13 years old student in 7th grade at The Chop Ta Trav secondary School which is located in Chup Prasat village, Chop commune, Angkor Thom district, and Siem Reap province.

Thavry has gotten five members in the family. She has gotten two younger brothers and one younger sister she is the fourth child in the family. Her father divorced with her mother. Her mother is farmer. She lives with her mother. She had one hectare of farmland for transplanting rice.

Her mother have gathered for a ton of rice's output per year but the rice's output couldn't afford the family for a whole year. And sometime her mother to remove the cassava and cassava in other to earn extra per day, get 15000 Riels. And per month her mother gets about 200000 Riels to support for her family.

Moreover, her mother got low income from selling rice so it still was inadequate to afford the needs such as clothes, uniforms and school supplies etc. Whereas, she promised that if she will be supported for \$10 every month she will try to study hard and she will use that money to patch up for her study.

In the future, she wants to become a Wedding Embellishment because she wants to earn money to earn life and support her family.
