សៀង គីមហេង

**Soeun Kimheng** is 11 years old, a student in 4<sup>th</sup> grade at The Chres School, located in Phum Chres Village, Kampong Trach District, Boeng Sala Khang Tbong Commune, Kampot Province.

**Kimheng** has no any siblings and she is living with her grandmother. Her father name is Ath Soeng, 45 years old and her mother is Loang Phep, 37 years old, they are working as construction works in Sihanoukville province.

Her family is very poor and they have no any farmlands. Her parents left her with her grandmother since she was a baby. Her grandmother had an in-house job such as making bamboo's baskets that one day she could make 2 baskets (1 basket sell in 1\$) in order to patch up on food. However that 2\$ was not the regular income for their daily food. Her parents are regularly sending her 20\$ per month to help for foods and her studying.

Kimheng studied very hard and she's the good student in the class. After school, she helps her grandmother's housework. In her free time, she likes to read the books and reviewed the lessons from school.

In the future, she wants to be a teacher, because she wants to teach and wants to help all the people in her village and around the world if she could help. Moreover, she also wants to earn money to support her family to live in better life.
