

Girl's Name : **Youn Hongny**

Profile of Youn Hongny

Youn Hongny is 13 years old and she is a student in grade 7 at #483 the Pluk secondary School in in Kat pluk village, Prekel commune, Kong Pong Speu Province Province.

There are four members in her family, parents and one sisters and one brother. She is the second child in the family. Father's name is Mom Cheak and he is 45 years old. Her mother's name is Mab Mom and she is 42 years old. Her father is a famer and mother is a worker sewing gets \$150 a month. After finish from farm work, her Father is growing a few kinds of vegetables for family eating. Everyday, Her family is very hard of living and they are trying to earn money for supported their children. For rice production per year there is not enough for eating so sometime they are buying rice from the market to support daily eating. They would like to express gratitude to the organization and sponsors of the scholarship of her daughter, even though it is not sufficiently supportive of the family's needs, but also reduces her family's expenses. **Youn Hongny** promised to come to school regularly and the money that she received from her donor will keep for buying the school supplies.

Youn Hongny is a good student in class and sometime, she explain the lesson to her classmates when they are not understand and after school she always help her mother to do housework and look after her brothers.

In the future, **Youn Hongny** wants to be a soldier in her village because she thinks that the teachers have been able to support a lot of social work, especially human resources training and she would like to support her family to live in a better life.
