

## Girl's profile: Yut Sokka

Yut Sokka is 13 years old and she is a student in grade 7th at The House of Joy and Happiness School (#374) which is located in Thkeng village, Rohas commune, Rovieng district, and Preah Vihear province.

Sokka was born in a poor family with 10 members. Besides her parents, she has grandparents also. She has gotten two brothers and four sisters included her. Sokka is the fourth child the family.

Her father name is Ream Yoeur. He is 38 years old. Her mother name is Ke Sok Kea . Her parents are farmers. They have gotten one hectare of farmland and with dimension of 10meters' width and 15 meters' length. Davin complained that from year by year her parents haven't gathered enough yields to feed her whole family. The rice's output her parents have gotten per year was between 800 to 1000 kg of rice and her parents haven't sold out that output because they have just served for their daily consumption. Sokka said besides growing rice, her parents growing some vegetable such as water green and they had selling them and they could receive money about \$ 2.5 in per day. However, they have effort fully found money by all means but it was still insufficient to work out for food, clothes and school supplies for their children.

In the future she wants to be a Khmer teacher, because she wants to share her knowledge to all the children who have lived in the poor area or in her community. Moreover, She would like to support her family to live in a better life.
