

Bream Dalin

Dalin is a 13 year old student in 7th grade at The ASIJ School # 467 donated by American School in Japan. It is located in Chub Krom Village, Svay Leu Commune, Svay Leu District, Siem Reap Province.

Dalin is the first child in the family, with one younger sister. Her father passed away 2 years ago. She has no house and her mother works in Thailand so now she lives with her aunt and grandma.

Before her family had their own farmland but after her father got very sick her mother had to sell all the land and house to get money to take care of her father.

Her mother didn't let her study because her mother wanted her to take care of her old grandma who was always sick and her younger sister.

Dalin is a student who pays attention and tries to learn. She tries hard to study and she gets good grades. She wants to be a good teacher when she grows up because she loves teaching young children in her village and would love to earn money to support her mother.
