

Girl's name: Chea Sreyne

Chea Sreyne is 14 years old study in in grade 6th at #143 The Masako Sato school which is located in Putreng village,Dakdam commune, Oriang district, Mondulkiri province.

There are four members in Sreyne's family. She has a brother, her parent and herself. Her parents are farmers. In order to get income her parent work out on the farm who take care of passion farm and coffee farm which they get pay 550,000 riels per month. This income they use for buy rice, buy food and transportation for Sreynik goes and come back from every day. Beside her parent nothing to do.

Sreyne's family has no farmland and she stays at the farm where her parent works. She comes to school every day by bicycle because her house is far away from school it's taking about thirty minutes by bicycle but sometime she couldn't come to school because the way was slippery because of rain.

In the future, she wants to be a doctor because she thinks that this job can help her to earn more money and can help her family, moreover she could help the old person in her village to be good healthy.
