

**Girl's name: Mao Sreyrath**

Mao Sreyrath is 11 years old study in in grade 5<sup>th</sup> at #143 The Masako Sato school which is located in Putreng village, Dakdam commune, Oriang district, Mondulkiri province.

There are 6 members in Sreyrath's family and she is the second child in the family. She has a brother, two sisters, her parent, her grandmother and herself. Her parents are farmers. In order to provide the family her parents do seasonal work such planting coffee, harvest cassava, planting avocado and picking cashew nuts day by day and get 15000 riels for a working day but it isn't regular income. Her mother said it's hard to find enough food to provide the whole family for their poor and low income.

Sometimes Sreyrath and her sister help their parent to earn more money by picking cashew nuts at the field day by day too especially on the weekend. Beside this her parent raises some chicken and does a little vegetable garden at home.

Sreyrath and her sister go to school every day by walk because their house is located near the school. After school Sreyrath help her mother to do housework and grow vegetable.

In the future, she wants to be a tour guide. This is her dream job. She said this job can help her to earn more money to help her family and can travel to many places.
