Thoeurn Sonita is 9 years old study in in grade 4<sup>th</sup> at #143 The Masako Sato school which is located in Putreng village,Dakdam commune, Oriang district, Mondulkiri province.

Nita was born in a poor family with four members. She has one older sister, her mother and her grandmother. Her mother is a widow. Her parent was divorced three years ago. Her mother is a farmer who does seasonal work every year. She works day by day and get pay 15,000 riels per day. This income isn't enough to provide the family because she has to buys daily food, buy school supplies for her kids such as books, pen, pencils, their school uniform and sometimes she has to buy some medicines for her mother too because she got sick. Beside this her mother plants some vegetables behind her house such eggplant, cucumbers, spinach, and more vegetables for their daily food but in rainy season some vegetables hard to grow.

Her mother said that it is hard to feed enough to the whole family because she got low income and she's a widow.

Nita and her older sister are good kids and hard work. They go to school every day by walk because their home located near the school and after school they help their mother to do housework.

In the future, Nita wants to be an English teacher. She said that she don't want to be a farmer as her mother does because it's hard job and hard to earn money.
