

Khorn Savann

Khorn Savann is fifteen years old student in 8th grade at the Dahlia Sam School in Rong Machine village, Tasal commune, Oral district, Kampong Speu province.

Savann has a sister and two brothers. She is the second child in the family. She lives with her parents who own 0.90 hectare of farmland for producing rice and can gather around 15 to 20 sacks (50kg/sack) of rice per season. Her father sometimes goes climbing the mountain for taking some wood for selling and earn more income. Her parents can earn around 15,000 to 20,000 riels per day for supporting the family.

In her free time, Savann loves to read the book, do housework, homework and help her parents feeding a cow and pigs. When she goes to school, she gets 500 to 1,000 riels.

In the future, Savann dreams to be an embellisher. She thinks that this career will help her to earn some income to support her family in better condition.
