

**Girl's name: Phalla Kunthea**

Kunthea is 15 years old and she is in grade 9 at the Trokieat Secondary school in Trokiet village, Champey commune, Baty district, Takeo province.

Kunthea has one sister and she is the oldest child in the family. Her Parents are the construction workers. They go to work all day. Their job is not the regular and there are some days that Kunthea's parents don't have job. It is hard for her to come to school. After school, she spends time at home for cooking food and takes care of her younger sister. Sometimes, she helps her parents at the rice field when she frees from school.

Her family own haft hectare of farmland to grow rice and can produce about one ton of rice for a year that can feed the family. Kunthea's mother sometimes sick her health is not well, so Kunthea needs to take care of her mom and helps her father at the rice field too.

In the future, Kunthea wants to be a teacher because she wants to support her family. And she wants to teach the younger children. Moreover, she wants to help the society for developing her community.
